Rainbow Assembly Unites With De Molay Chapter Tonight For Installation Of Officers

The regular installation of officers of Placerville Assembly, Order of the Rainbow for Girls, and El Dorado Chapter, Order of DeMolay, will take place at a joint meeting of the two units tonight at Masonic Hall.

The installing officers will be the outgoing heads of the two groups, Miss Marilyn Rupley, for the Rainbow Assembly, and Jack Rupley, for the Order of De Molay. The two are children of Mr. and Mrs. Charles J. Rupley, of Placerville, and the meeting tonight is one of the rare occasions, although not the first, in which a brother and sister have shared the role of installing officers.

The new staffs to be installed are headed by Miss Barbara Smith, for the Rainbow Assembly, and Arthur Hackwood, for the De Molay Chapter.

In co-operation with the committee in charge of the "Birthday Ball for the President" to raise funds for infantile paralysis relief, which is being held tonight at the I. O. O. F. hall, no social occasion has been planned following the installation meeting.

The officers to be installed are:

For the Rainbow Assembly, Barbara Smith, worthy advisor; Doris Wudell, worthy associate advisor; Annette Bryan, Charity; Janis Ball, Hope; Dorothy Morris, Faith; Kathryn Hackwood, recorder; Anna Jane Basham, treasurer; Dorothy Cosens, chaplain; Donna LeBourveau, drill leader; Jeanette Landis, confidential observer; Edna Mae Smith, outer observer; Betty Bergantz, musician; Helen Bran-

Kelsey Center Met Friday

4-H Club Members Report On Progress In Projects; Two Speakers On Program

The regular meeting of the Kelsey Farm Center on Friday evening had as speakers James A. Irving and B. E. Haslam, heard reports on the progress of 4-H club projects from the "Ag Club" members and enjoyed an entertainment novelty directed by Roy M. Marks.

Mr. Irving reported on his recent trip to Washington and from there to New Orleans and home on business for the California Fruit Exchange. He spoke particularly of the improvements in travel comfort on the railroads and of the advancements being made in middle Atlantic states in the control of soil erosion.

These conservation practices are not being followed in the deep South as yet and the country shows it, he said. Economic conditions in that part of the country are apparently distressing.

Mr. Irving found Texas and Arizona looking better than the states farther east, but they failed to show the progress that was notable in California on his return, he said.

Mr. Haslam spoke on the need for the control of soil erosion as a conservation measure and quoted figures to show the amount of top soil lost to the nation through failure to control erosion.

Mr. Marks, assisted by six members of the center, presented a novelty in entertainment.

The seven members of the 4-H Agricultural Club, Bill Holt, James Holt, Virgil Smith, Jean Miller, Ray Miller, Harry Payle and Don Bennett, with their leader, Frank Holt, reported on the progress of their club projects in sheep, rabbits, pigs and poultry.

It is unusual that in a club of seven members there should be such a diversification of interests reflected in projects. Center members point to this with pride as a demonstration of the individual initiative of the 4-H Ag Club members.

Robert Arnold, of Pasadena, has taken over the bookkeeping duties with the Diamond Match Company, replacing Lloyd Smith who has been transferred to the company's office at Gerber.

Ed. Jones is home from Dunsmuir for the weekend.

NEW LEADERS WILL BE INSTALLED tonight by Placerville Assembly, Order of the Rainbow for Girls, and El Dorado Chapter, Order of De Molay, at a meeting at Masonic Hall. They are, left to right, Miss Barbara Smith, worthy advisor-elect, and Arthur Hackwood, Master Councilor-elect.

PRESIDENT'S BIRTHDAY BALL TONIGHT PREPARED FOR LARGE ATTENDANCE

Fifth Annual Event In El Dorado County Contributes To National-Wide Affair Raising Funds Which Will Go To New National Foundation For Infantile Paralysis Fight

El Dorado County's fifth annual "Birthday Ball for the President" will be held tonight at the I. O. O. F. hall and, according to Frank Ward, general chairman, preparations have been made to entertain one of the largest crowds ever to attend a "Birthday Ball" in El Dorado County.

"The general spirit of co-operation in support of the occasion and the interest which is reported from various quarters points to a record crowd," Mr. Ward said Saturday morning.

"I wish at this time to thank the various groups and the individuals who have co-operated with us in our plans

for tonight and to acknowledge, especially, our gratitude to the Rainbow and De Molay Chapter, who meet tonight to install officers.

"In a spirit of co-operation with the 'Birthday Ball,' these two orders abandoned plans for a social occasion following their business meeting, and we are grateful to them for this co-operation."

The proceeds from the "Birthday Ball" will be sent to Washington to be used with funds raised by other "Birthday Balls" throughout the nation, which will be held next Saturday, to establish a new national foundation for combatting infantile paralysis.

DRILL TEAM AND BAND ADD COLOR TO BASKETBALL

The Girls' League drill team of the high school, 36 members directed by Miss Lucia Hotchkiss, made their second recent appearance at the high school basketball games Friday night, serenading the Cougars and the Ione rooters as well.

The presence of the high school band, led by Charles W. Ball, proved such a welcome addition a week ago that the musicians were on hand again Friday night, entertaining the fans during dull moments and adding zest to the Cougar rooting songs.

Inter-Racial Marriages Of Californians Noted

SALT LAKE CITY, (UP)—Southern Utah has become a "Gretna Green" for California Filipinos who wish to take white brides, county officials of Utah were told at their annual convention.

Fully 40 per cent of the marriage licenses issued in St. George during the past year went to Filipino men and white girls who after becoming man and wife immediately returned to California to make their homes there, Miss Alice Pendleton, clerk of Washington county disclosed.

Roosevelt Reports On Business Conferences

WASHINGTON, (UP)—President Roosevelt said today his conferences with business men are bringing about cooperation in efforts to meet economic recession.

Mr. Roosevelt said his discussions had proved educational. He emphasized that the administration was standing fast to its long time objective of bringing price levels back to those general in the nation in 1926. There has been no change in policy, he said, suggestions to the contrary notwithstanding.

Dr. D. W. Babcock flew to San Francisco and return Friday and it was one day that both planes were away from the berths at Placerville airport.

Rev. Harold G. Morehouse has returned from a visit to Sacramento, where he attended a meeting on the Presbytery, and to San Francisco, where he attended a meeting of the California synod council.

ONE YEAR'S PROBATION FOR ATTEMPT AT BURGLARY

Calvin McGahagin, who had pleaded guilty to a charge of an attempted burglary, was placed on probation for one year when he appeared Friday afternoon in Superior Court for sentencing before Judge George H. Thompson.

McGahagin was arrested for an attempt to enter the store at the White Spote auto court and at an earlier hearing the court had determined the crime to be an attempt at burglary in the second degree.

The defendant's application for probation was investigated by Probation Officer Charles W. Ball and a report duly filed.

Rev. Dunlop To Conduct Sacramento Services

El Dorado County residents who may have occasion to be at Sacramento Sunday will be interested to know that the Rev. J. W. Dunlop of Diamond Springs, will conduct services in the morning and also in the evening at the Fremont Presbyterian church in that city.

Special music is being planned for both services.

2 KIDNAPINGS LISTED AS UNSOLVED BY JUSTICE AGENTS

ST. PAUL, (UP)—J. Edgar Hoover, chief of the federal bureau of investigation, today narrowed down to two cases the kidnaping career of Peter Anders, abductor-slayer of Charles S. Ross.

Hoover listed the confessed crimes as the kidnaping and killing of Ross, wealthy retired Chicago greeting card manufacturer, for whom \$50,000 ransom was paid and the "warm up" kidnaping Sept. 2 of Olivia Morcia, 20, the wife of a Chicago race track bookmaker, near Lake Geneva, Wis. She was released without a ransom payment.

W. S. Kirk, who has been confined to his home for several days, was able to be out and about on Saturday.

Rudolph Kunigk was among Lotus callers in the county seat Friday.

Mrs. Edna Ferretta, charged with disturbing the peace, was given a sixty-day suspended sentence Friday before Justice of the Peace T. F. Lewis.

"Hawk" Wins Race With Sun On Friday

"The Hawk" airplane of the Hangtown Hawks, El Dorado County organization of aviators and student fliers, won a race with the sun Friday evening, thanks largely to the piloting of Jack Gianelli.

Gianelli took off Friday morning for San Francisco and returned late Friday afternoon, so late, in fact, that "the shades of night were falling fast" but despite poor visibility and lack of lights at the airport, the flyer decided to "set 'er down."

This he accomplished by executing a "power stall," keeping the nose of the plane pointed up, and the motor turning over so that if something unexpected loomed suddenly ahead he could "give 'er the gun."

Hawaii-Bound Plane Returns

China Clipper, 700 Miles Out, Makes Port. At L. A. As Fuel Line Becomes Clogged

LOS ANGELES, (UP)—Turning back 700 miles out at sea on a flight to Hawaii because of a stopped fuel line, the China Clipper sped for the California coast and made an emergency landing at Los Angeles harbor with eight passengers and seven crew members early today.

The four-motored flying boat cruised for several hours awaiting daylight before attempting to come down in the unfamiliar water here. It was ordered here instead of the regular base at Alameda because fog shrouded the San Francisco Bay area.

Capt. J. H. Tilton, commander of the flying boat, explained the trouble that forced abandonment of the flight. "We were two hours this side of half way to Hawaii," he said "when the fuel line from the right wing became clogged. We had drawn 300 gallons of the 950 gallons capacity when the clog-gage occurred."

"Because we were two hours on this side of half way, there was nothing else for us to do but turn back."

The skipper said they experienced no mechanical trouble other than the clogged line. All motors functioned perfectly at all times, he said. Captain Tilton said that the flying boat would go to Alameda today to undergo repairs there and then continue its trip to Honolulu.

COUGARS COP THREE GAMES FROM IONE HIGH SCHOOL TEAMS

Brown's Quints Will Rest Next Week And Resume CIF League Campaign On February 4th; A And B Fives In Running For Honors; Midgets At Top Of Their Division

By BOB VIVIAN

Sweeping the three game series with Ione, on the local court Friday night, El Dorado's A and B fives shot their way back into the thick of the Mother Lode League fight, while the Cougar Gees practically clinched honors in that division, by their second straight win. Friday night's scores were:

El Dorado A 41, Ione 26; El Dorado B 20, Ione 16; El Dorado C 15, Ione 5.

Another large crowd watched the El Dorado unlimited five pile up a 29-12

score over the invaders at half time.

The Cougar five showing a far better offensive team, than that which lost to Sutter Creek in their previous start, fed the ball on short passes, into the hole for set-up shots, and the locals did not miss many during the evening's play.

Led by Chet Carsten, who sank five baskets during the first seven minutes, the Cougars were out in front with an 18-8 score at the end of the first quarter. Jim Schroth opened the Cougar scoring by dumping a shot from under the basket. Carsten then followed with his first of sixteen points and Schroth again tallied from the sidelines to give El Dorado a 6-0 lead in the first minute's play.

Ione broke into the score column when Brubeck sank one from outside the foul line. MacLin, forward of the locals, scored with a long shot, and Hall, of Ione, made two free shots good. Schroth again tallied for the Cougars, (Turn to Page 3)

VALUE OF FARM LAND UP 9 PER CENT

Sustained Demand For Ranch Properties Illustrates Stability Of Rural Realty

Gain of approximately 9 per cent in value of farm lands sales in 1937 was recorded by California Lands Inc. in Yolo, Solano, Sacramento, Alameda, Placer, El Dorado, Amador, Alpine, Sutter, Yuba and Nevada counties, according to Norman E. McFadden, vice president and sales director of California Lands Inc., one of the largest land-owning and operating firms in the state and subsidiary of Transamerica Corporation.

Total sales of farms in these counties in 1937 aggregated \$426,120 compared with \$391,490 in 1936. Seventy properties were sold in 1937, and 79 in 1936. Average values per farm in 1937 was \$6,087 as against \$4,956 in 1936.

"Cooperation of the real estate brokers has been of great help in selling these properties," McFadden commented. "In 11 counties, brokers produced almost half the business, or 48.7 per cent to be exact. A substantial number of the properties sold in this district were bought by tenants of California Lands Inc."

Total 1937 sales figures of California Land Inc. reflect a sustained demand for farm and illustrate the stability of California's agricultural real estate market in McFadden's opinion.

Major Sewer Project Attracts Bidders

The call for bids on the larger unit of Placerville's sewer improvement project is attracting unusual interest among contractors of the state, according to the City Clerk.

Bids on the job will be opened by the council on January 31, and thus far there have been ten requests for copies of plans and specifications on the project. This, of course, includes some who are interested in sub-contracts.

A number of inquiries are said to have come from as far away as Los Angeles. The circumstance would indicate that the successful bidder will have really sharpened his pencil.

2 Officers Called To Nevada County

Fowler and Vladimir Sabich, of the El Dorado County squad of the California Highway Patrol, were assigned to duty in Nevada County Saturday morning, in connection with the current labor troubles in that county's mining industry. The transfer is of a temporary nature, it is understood.

"Mr. Moto" In Second Film

Empire Screens Peter Lorre In New Story For Patrons On Saturday Only

Current conditions in the Far East set the atmosphere for the Twentieth Century-Fox set where the filming of "Thank You, Mr. Moto," second in the thrilling series starring Peter Lorre and the Saturday feature at the Empire Theatre, was recently completed.

The setting for the newest screen adaptation or J. P. Marquand's Saturday Evening Post stories is Peiping, China, and vivid excitement prevails throughout the entire action. The screen play by Willis Cooper and Norman Foster continues the adventures of Mr. Moto as he risks untold dangers to ferret out the ancient secret to the hidden tomb of Genghis Khan.

Peter Lorre, whose screen portrayal of psychopathic villains both here and abroad has attracted considerable attention, hopes to establish himself permanently in the role.

"I find Moto a very fascinating camera study," Lorre explained. "He is not the usual screen hero for he is a cross between an almond-eyed G-Man and a miniature 'Phantom of the Opera.' He is on the side of Right but in accomplishing his purpose he stops at nothing."

GRASSHOPPERS TO BE LESS NUMEROUS IN 1938

SACRAMENTO.—Surveys of grasshopper egg beds in California made by federal, state and county officials indicate that the infestation of these serious crop marauders in 1938 will be somewhat lighter than in 1937 over the entire state, and that only 140 tons of grass hopper bait will be required for control purposes this year, it was announced today by Stewart Lockwood, state leader of the grasshopper control committee for California. The committee is composed of representatives of the Agricultural Extension Service, the College of Agriculture, the State Board of Agriculture, and the State Department of Agriculture.

Indicative of the beneficial results of this campaign against the hoppers, which was started in 1934, is a decided reduction in the total tonnage of bait needed. Six hundred tons were used in 1935, and since that time the annual campaigns have been so successful that the tonnage needed has been reduced to 140 tons for 1938.

Mr. and Mrs. William Allison, of Cammino, are the parents of a son born Sunday, January 16, according to a certificate of record with the county recorder.

The dance, scheduled for Saturday, January 22, has been postponed on account of the President's Birthday Ball to be held at Placerville on that date.

Friends of this vicinity were shocked to learn of the death of Wallace C. McBeath, Saturday at Mercy Hospital in Sacramento. Mr. McBeath was a native of El Dorado County and spent his boyhood in the Springvale district. For the past 25 years, he has worked for the Natomas Dredging Company and resided near Natomas. Before moving to Sacramento County, he resided at the old Russell home in Sweetwater and then at Rescue. He carried the mail from Rescue to Folsom for several years with a horse and wagon. Mr. McBeath left many friends in this district who all join in extending their sincere sympathy to Mrs. McBeath and family. Surviving are his wife, Mrs. Agnes McBeath and three children, Elmer R., of Folsom, William W. of Sacramento and Miss Hazel F., of Stockton. Funeral services were held Tuesday afternoon at 2 p. m. from the Miller Funeral Home at Folsom and interment was at Folsom cemetery.

News was received of the sudden death of Ingvald Roy Ellis of Folsom at the Sutter Hospital, Sunday evening. Brownie Ellis, as he was better known to his young friends, was the son of Mr. and Mrs. George Ellis of Folsom. Friends of this district who knew him, wish to extend their sincere sympathy to his parents and

MEMPHIS DEAN DEPOSED ON 20TH DAY OF FASTING

MEMPHIS, Tenn., Dean Israel H. Noe was deposed as dean of the Episcopal Cathedral of St. Mary today but a way was provided by which he may return to service in the Diocese if he chooses.

Noe, weaker than he has been at any time since he started a fast on Jan. 2 in an attempt to prove that he is immortal, probably will not accept. All evidence indicated today that he would continue on his course until he reaches "the spiritual plane of life"—or death.

One or the other is not far distant on this, the 21st day of his fast.

GRANGE NOTES

PILOT HILL

Pilot Hill Grange held its regular meeting Saturday, January 8.

Very few members were able to attend the joint installation of officers in Placerville the previous Friday night and so our Master, Steve Lovejoy, installed the officers.

A letter was received from the State Grange in regards to getting new members. We are certainly going to try to find new members.

A motion was made to write to Placerville to see if a larger school bus can't be had in our section as of present bus is so crowded that the grammar school children who have been riding, must walk.

Weiners and buns were then enjoyed.

We are glad to report that Mrs. P. Engesser is able to be up and around again and celebrated her 89th birthday on January 10. Many friends and relatives called at her home to wish her birthday congratulations in which we join.

Cougars Sweep Ione Series

(Continued from Page 1)
followed by four successive buckets by Carsten. Brubeck and Hawkins each scored once during the closing minute of the quarter, for Ione.

MacIn led the Cougars during the second quarter with six points, Schroth had three, and Carsten two. Scully sank two during the period for Ione.

Ione took long shots and for the first time out-scored the locals, scoring 12 against El Dorado's 10 during the third quarter.

Points in the third period for Ione were made by: Scully 2, Hall 4, Skeen 4, and Hawkins 2. For El Dorado, MacIn 4, Carsten 4, and Blair 2.

With a fifteen-point lead the Cougars scored but once during the last quarter but held the visitors to the same score. The locals froze the ball during the greater part of the period preventing the Ione team from basket tries. Quiberg scored for the locals, and Scully for Ione during the final quarter.

Ward, though failing to score, played a good game at guard.

All three B teams went into a tie for first place in league standings, when the Cougar Bees dumped the Ione lads 20-16. Ione had previously beaten Sutter Creek. Friday's night's results give each team one win and the same number of defeats.

Del Carlo, with nine points to his credit led the Cougars to victory, in a game which found them on the short end of a seven to one score in the first quarter. Fight and determination gave the locals a 7-8 lead over the visitors at half time, which was increased as the game continued.

Other point makers for El Dorado were: Cribbs 4, Thompson 4, Boggs 2, and Drennan 1. For Ione, Scully 7, Custino 4, Watts 2, Hawkins 3.

The outstanding player on the floor during the B game was Sam Drennan, guard for El Dorado. Drennan continually took the ball off the backboard and broke down the court in advance of other players on the floor. The speedy guard, broke up many of the Ione scoring plays with tight defensive work.

In the C game, Coach L. A. Brown's lightweights have met both opponents and defeated each by decisive scores. The local youngsters should easily take their remaining two games and give the Cougar its second straight C title.

Although not as fast on offense as they were against Sutter Creek, the Cees played another perfect defensive game, and their fifteen to five win on Friday night gives the locals a total of 64 points to their opponents' 7 in league play.

Baker, Cougar center, although not sinking a field goal, tied for scoring honors with Killian and Wiglesworth, by sinking four free throws, the latter

DEER CONDITIONS BETTER DECLARES REGIONAL FOREST HEAD

Present winter range conditions will have a helpful effect on California's deer herd population during the next several years says Regional Forester S. B. Show in a recent review of wild life conditions in the national forests of the state. In contrast were the severe winter conditions of a year ago which accounted for a general loss of deer in the state, especially among the Columbian black-tail of the Coast Range.

"Scant snowfall during winter season usually indicates increased forest fire danger in the summer," said Mr. Show. "But this year we at least have the satisfaction of knowing that animal and bird life will come through the winter in greater numbers and better conditions than would be possible during a severe season. This will mean a bigger crop of fawns and yearling deer in the national forests this year and an increase of mature animals for breeding in future seasons."

In studies and investigations of fish and game management the forest serv-

two making two filed goals apiece. Edelman scored the two other points with a long shot in the fourth quarter.

Coach Brown states he will rest his squads next week in preparation for their battles against Sutter Creek on February 4th. The locals will have no game, excepting their county league tilt, next week.

Officials at Friday's game were: Charles Irwin, referee; Thomas Chard, timer, and Stanley Beach, scorer.

Irwin, a member of the Auburn Cardinals, did the best job of refereeing seen on the local courts in many years, not once in the three games did the crowd question his decisions.

ice considers wildlife as a productive crop in the same manner that a rancher manages his domestic stock. About 75 per cent of the big game animals in the state are ranging in the national forests. Proper management of wild life environment on Federal lands together with natural advantages of habitat are believed to have contributed much toward the preservation and increase of native game species in California.

Led by Cecil Thornbrugh, 25-year-old killer who was slain by a guard, the eight plotters reached the prison yard before they were subdued.
